

99000 MPM GreenQleaner

Document version: May 20, 2024

Description

Environmentally friendly degreasing and cleaning with MPM GreenQleaner. Powerful cleaner and degreaser, ideally suited for quick and effective cleaning and degreasing of (stainless) steel, plastic, glass, ceramics, textile, and painted surfaces. MPM GreenQleaner can replace 90% of the applications of traditional brake cleaners.

MPM GreenQleaner is labeled with the "EU Ecolabel" and certified according the strictest European legislation. MPM GreenQleaner is therefore very safe for the user and virtually no burden on the environment.

The product has the following properties/benefits:

- Non flammable
- Non toxic
- Non corrosive
- Biodegradable
- No hazard symbols
- No transport or storage restrictions
- "EU Ecolabel"
- Ready to use
- Cost efficient due to refill packaging
- Suitable for industrial and household applications
- Suitable for any surface*

* Always try out first on a non-visible surface.

Application manual

Apply the product directly and allow it to act a few seconds. Then remove with a clean and damp sponge, and then dry using a dry cloth. If the dirt is caked on, it is recommended to allow the product to act a few minutes.
